

Certificate IV in International Trade

Qualification Description

Certificate IV in International Trade is a unique course in that it allows for flexible outcomes. The skills and knowledge gained from this qualification include export strategies, international conventions, law, finance and marketing in an international context. This is a flexible business course and can be tailored to produce the business outcomes you require.

Award

Certificate IV in International Trade BSB41107 provides you with a nationally recognised qualification through high quality, flexible, customised training that will have a positive impact on your career and business.

Our Trainers

Outsource Services will provide experienced training staff that inspire you to achieve great things. All our trainers are approved under the Australian Quality Training Framework and are experienced professionals as well as trainers!

Delivery

We offer flexible training delivery either face to face, self paced or in blended delivery modes. We will tailor the delivery to meet your needs.

Prior learning and current competency will be taken into consideration for all participants.

Course Duration

This course is a competency based training program and as such the duration of the course is to be determined on individual levels of current competence and RPL. However, expect to take around a month per module for most of our courses.
