

## Diploma of Occupational Health and Safety

### Qualification Description

The Diploma of Occupational Health and Safety is designed to give you a sound theoretical knowledge base and an ability to use a range of specialised, technical and managerial competencies to plan, carry out and evaluate your own work and the work of others with safety responsibilities. You will develop the skills to be able to participate in the management and coordination of OHS information and data systems; risk management; incident investigation; policies and procedures and participative arrangements.

### Award

The Diploma of Occupational Health and Safety BSB51307 provides you with a nationally recognised qualification through high quality, flexible, customised training that will have a positive impact on your career and business

### Our Trainers

Outsource Services will provide experienced training staff that inspire you to achieve great things. All our trainers are approved under the Australian Quality Training Framework and are experienced professionals as well as trainers!

### Delivery

We offer flexible training delivery either face to face, self paced or in blended delivery modes. We will tailor the delivery to meet your needs.

Prior learning and current competency will be taken into consideration for all participants.

### Course Duration

This course is a competency based training program and as such the duration of the course is to be determined on individual levels of current competence and RPL. However, expect to take around a month per module for most of our courses.

### Entry Requirements

No entry requirements apply to this qualification.

### Career Opportunities

The Diploma of Occupational Health and Safety reflects the role of individuals who coordinate and maintain the OHS program within an organisation.

### Applicable occupations are:

OHS Manager

OHS Practitioner

Senior OHS Officer

### Investment

Please call us on 1300 136 904 and one of our friendly Consultants will help you with the best learning option for you.

All of Outsource Services programs form learning pathways to high level study and University entrance and credits.
